

AVRSB General Communications Survey—Share Your Thoughts

The Annapolis Valley Regional School Board would like your feedback on how the School Board office communicates with you.

A survey is now available at www.avrsb.ca to receive input from students, parents/guardians, AVRSB staff and school community members on communication from the School Board office (the survey is not about communication from individual schools). We'd like to hear your thoughts on what AVRSB does now, and ways we can improve school board communication in the future.

Some examples of information from the School Board office include news about students and schools on www.avrsb.ca and from @avrsb on Twitter, school cancellation announcements, information on school board meetings and public meetings, and school board policies and procedures.

The survey only takes a few minutes to complete, and all responses are anonymous. A link to the survey is available at www.avrsb.ca or it can be accessed directly at www.avrsb.ca/webform/avrsb-general-communications-survey until March 4, 2016. Thank you for your input!
