

Vow of Silence

On April 16th, 2014 Wolfville School held their 3rd annual Vow of Silence. The goal is to raise awareness of the many children in the world whose voices are silenced by poverty, bullying, hunger, etc. Approximately 131 students from grades 4-8 participated in this day by purchasing a mask and trying to be silent throughout the day. \$586.40 was raised through pledges and the purchase of masks. This money will go to help build a well for a country in Africa. Well done!
